This walk goes predominantly through fields, some quite lanes & the golf course. It's on the edge of built up Bromsgrove and is an ideal opportunity to escape the hustle & bustle of the town.

When walking through fields with crops growing please walk in single file to minimize crop damage.

Start: From the front of the council house and facing the church go right along the road until reaching the busy **A38**. Carefully cross the road and go down **Old Burcot Lane** for approximately 50 metres to reach a six bar gate on the right.

2) Cross over the style into the field and follow the footpath sign to the left. Continue following the path with the hedge to your left and continue past another gate on the left. The field path starts to go downhill towards a small wooded area. Just before reaching this there is a footpath sign and a gap in the hedge. Go through the gap and cross the road to another gap opposite.

3) Go through the gap, bear right and follow the path through the trees to emerge into a field. Take the track going left and head for a style just before the gate in the corner.

4) Go over the style and cross the **Alcester Road** and go right along the pavement. When the road heads uphill, look out for a footpath sign on the opposite side of the road pointing to Bromsgrove.

5) Cross the road and follow the lane until reaching another footpath sign and some steps on the right. Go up the steps and follow the path to reach the golf course. Follow the yellow arrow footpath signs through the golf course to emerge into a field. There are excellent views from here. Go left and continue along the path until reaching a style. Cross the style back into the golf course. Follow the yellow arrow footpath signs through the golf course to arrive at the busy **A38**.

6) Cross the **A38** to the grass verge and go left for approximately 30 metres to a footpath sign. Go right and then right again and follow the path to exit near a road island. Cross the road and continue along the path emerging just before **Old Burcot Lane** on the opposite side of the road. Turn left here and follow the road back to the Council House.
