Car Park Safety And Advice

The Council operated car parks are all covered by Council run CCTV cameras, who work closely with the police. The car parks are patrolled by Civil Enforcement Officers who are there to ensure a safe and secure parking environment is maintained. Please help us keep crime to a minimum by following the advice below;

Lock all doors when leaving your car.

Ensure that no valuable items are left in plain view when leaving your car.

If you have a removable stereo, remove it from view.

Engage the steering lock after parking.

If you have an alarm or immobiliser, ensure that it is switched on.

Ensure that alloy wheels are protected with locking wheel nuts.

If you intend to leave your car overnight, please ensure that you use a well lit space.

Please do not leave dogs in your car. In extreme cases the police or RSPCA may be called to release them.
