Dear Sir,

**Bromsgrove District Council's Local Development Framework Consultation on
the Submission version of the Statement of Community Involvement.**

Thank you for your letter of 12th July 2005, inviting the Highways Agency to comment on the Statement of Community Involvement, as issued by your Council.

The Highways Agency welcomes its inclusion in the list of interested groups and people. We wish to remain actively involved in all future stages leading to the adoption of the Statement of Community Involvement and look forward to working proactively with the Bromsgrove Council with reference particularly to its allocations and impact on the Highways Agency network.

Please do not hesitate in contacting me if I can be of any further assistance.

Yours faithfully
