

**TREE CONTRACTORS & CONSULTANTS
OPERATING IN BROMSGROVE DISTRICT**

The details provided below are for tree surgeons and contractors who regularly work within Bromsgrove District. The list is not exhaustive and the absence of an individual or company should not be taken to imply they are not capable of undertaking arboricultural work. Please note that this list is not a recommendation or a guarantee of quality of work and is provided solely to provide contact details for your own enquiries. Bromsgrove District Council accepts no liability or responsibility for the actions of the companies shown on this list. Please see the leaflet "Tree Work – Choosing your Arborist" for guidance on selecting a competent arboricultural contractor or consultant.

GUIDANCE NOTES

- Before entering into any contractual agreement you should insist on seeing details of insurance and relevant training.
- Before inviting Contractors to tender, decide what work you require to be done, including what is to be done with the rubbish. All works should be done to British Standard Guidelines. British Standard 3998:1989 is relevant to tree works.
- Consider obtaining more than one estimate, this will allow you to compare prices and choose the right company for your particular job.
- Quotations will normally be provided free of charge for your specific requirements but there will be a fee for advisory work and consultancy work.
- When asking for an estimate, indicate when you would like the work to be carried out. The Contractor will be able to advise whether this is practical.
- Do not leave it too long before accepting an estimate. If possible let the Contractor know your decision, be it acceptable or refusal, within 7 - 10 days and make clear the terms of acceptance.
