Dear Ms Holmes,

**Planning consultation: Lickey, Blackwell and Cofton Hackett Parish Neighbourhood Plan.**

Thank you for your consultation on the above dated 19/03/2018 .

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

**Strategic Environmental Assessment Screening**

We welcome the production of this SEA Screening report. Natural England notes and concurs with the screening outcome i.e. that no SEA is required.

Further guidance on deciding whether the proposals are likely to have significant environmental effects and the requirements for consulting Natural England on SEA are set out in the [National Planning Practice Guidance](#).

**Habitats Regulations Assessment Screening**

Natural England notes the screening process applied to this Neighbourhood plan. We agree with the Council's conclusion of no likely significant effect upon the named European designated sites.

We would be happy to comment further should the need arise but if in the meantime you have any queries please do not hesitate to contact us.
