Bromsgrove District Council - Community Survey 2022
This survey was opened on Friday 14 October 2021; an invite was sent directly to all members of the Community Panel. The survey remained open for 4 full weeks. A total of 108 valid surveys were returned, resulting in a response rate of 26.4%. The survey was publicised in local media and numerous times on social media during the 4 weeks. A total of 349 surveys were received from the public. A total of 457 valid surveys were received.

Some results may appear significantly different when compared with previous years. Whilst this might be a true reflection, it needs to be borne in mind that since 23 March 2020 there have been significant changes to peoples' lives due to the Covid-19 pandemic.
