

What do you think of parks, play areas, sport and recreational land, other open spaces and indoor sports facilities in Bromsgrove?

Dear Resident,

We very much **hope you can spare 10-15 minutes to complete the attached survey**. The study will investigate whether the current level of open space and indoor sports facilities is sufficient in terms of quality, quantity and accessibility to meet the needs of Bromsgrove residents. The findings of this study will be used to influence decisions on where money will be spent in your local open spaces, sport and recreation facilities. It is therefore imperative we receive as many responses as possible.

Your household is one of 5000 randomly selected in order to provide us with an insight into residents' opinions on open space and indoor sports facilities within Bromsgrove. Even if you don't use open spaces or indoor sports facilities we are keen to hear your views and all the answers you give will be treated as confidential.

The questionnaire is quick and easy to answer. Please try to answer as many questions as possible by placing a tick in the boxes or write your answer in the space provided. Please return your questionnaire even if you are unable to answer all of the questions, as any information you provide will be of great use to us. When completing the survey please answer the questions in relation to the open spaces and indoor sports facilities within your area.

Who should complete the survey?

You will notice that the survey has not been addressed to any particular individual in your household. This is because we would like to hear the views of the widest possible range of people – so anyone can answer the questionnaire. If you have any questions or need any help completing the questionnaire please phone Jon Holland at PMP on 0161 2355570. Alternatively, you can email your views to:

Bromsgrove@pmpconsult.com

Please return your completed questionnaire in the pre-paid envelope provided by **Wednesday 4th June 2008**. For your chance to win **an ipod nano or ipod shuffle** please fill in the slip below and enclose along with the survey.

Many thanks for your help with this important study.

Yours sincerely
