BALANCE OF TRADE POLICY

To ensure that the market remains viable and sustainable for the future, Bromsgrove District Council through the Market Manager will maintain a balance of trade policy (dependant on the line of goods) for each day, however the council will permit traders to increase their stall allocation to maintain their protection by application to the Council.

See the Appendix below for the Balance of trade and protection table.

However please note that this list is not exhaustive and the council reserves the right to add/change this list, if in the view of the council the balance of trade is not adversely affected and is justifiable.

Note that this regulation only applies during normal market days and not during any specialised markets/events.

4 Stalls protection	
Fruit & Veg	All fruit & veg products.

3 Stalls protection	
Breads & Cakes	Factory or homemade breads & cakes.
