

The Future of Vehicle Ownership Survey Feedback

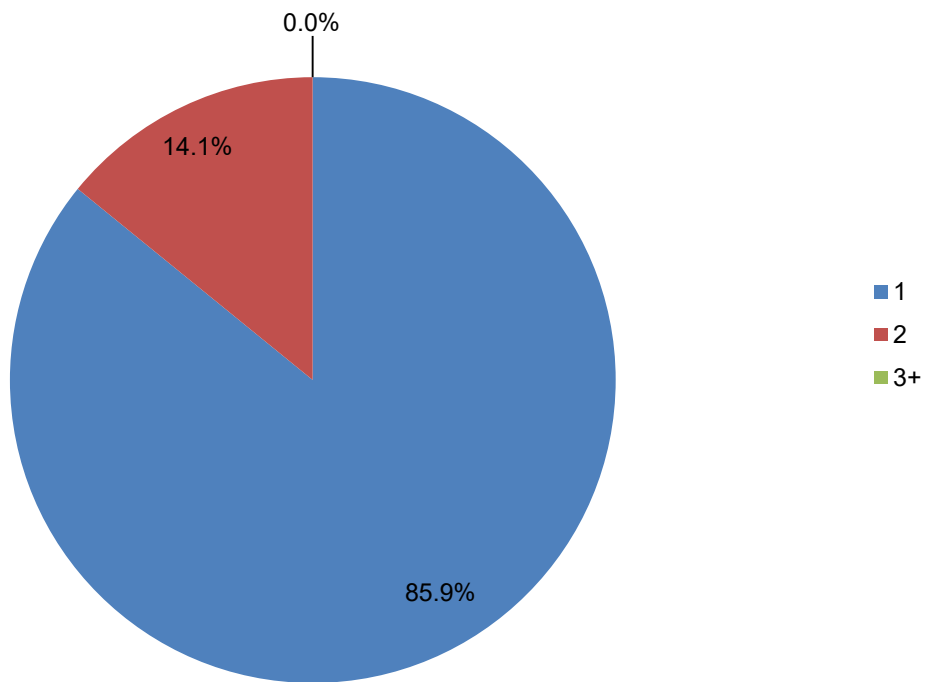

This survey ran in Autumn 2019 and explored residents' thoughts around vehicle ownership and the move away from traditional fuelled vehicles.

Do you have any 'plug in' motor vehicles in your household?

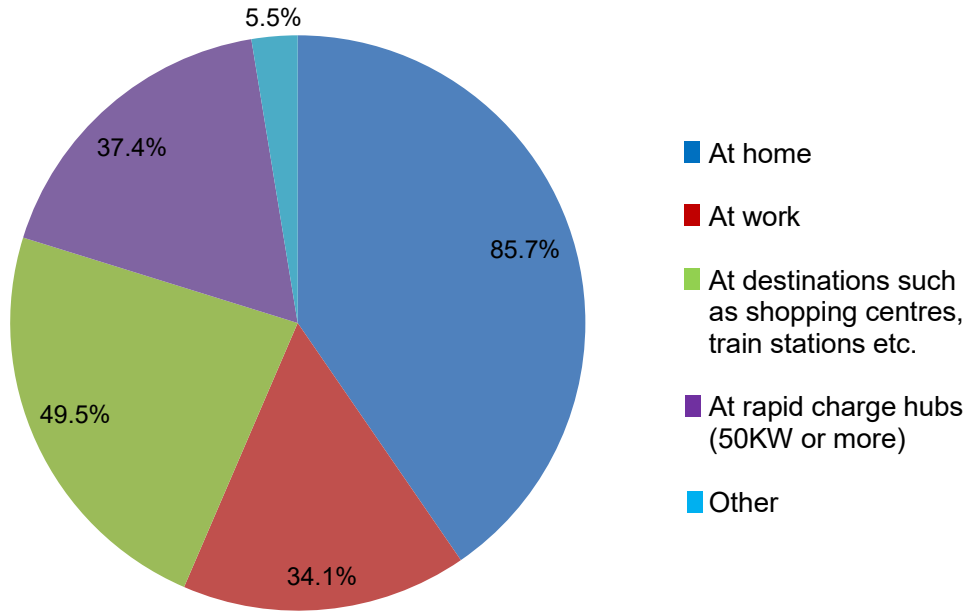

How many 'plug in' vehicles do you have in your household?

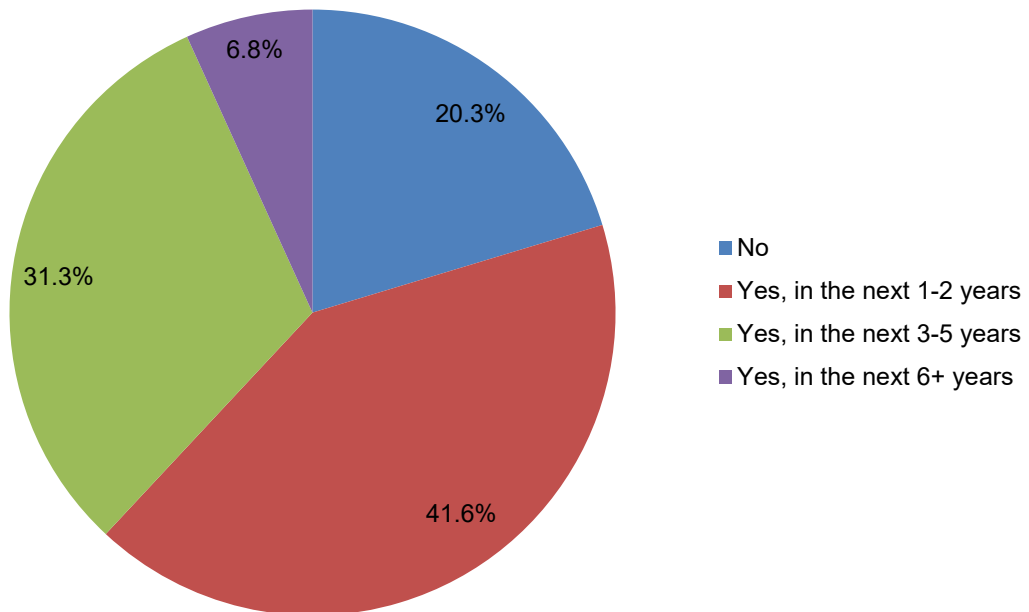

Where do you currently charge your vehicle(s)?

(tick all that apply)

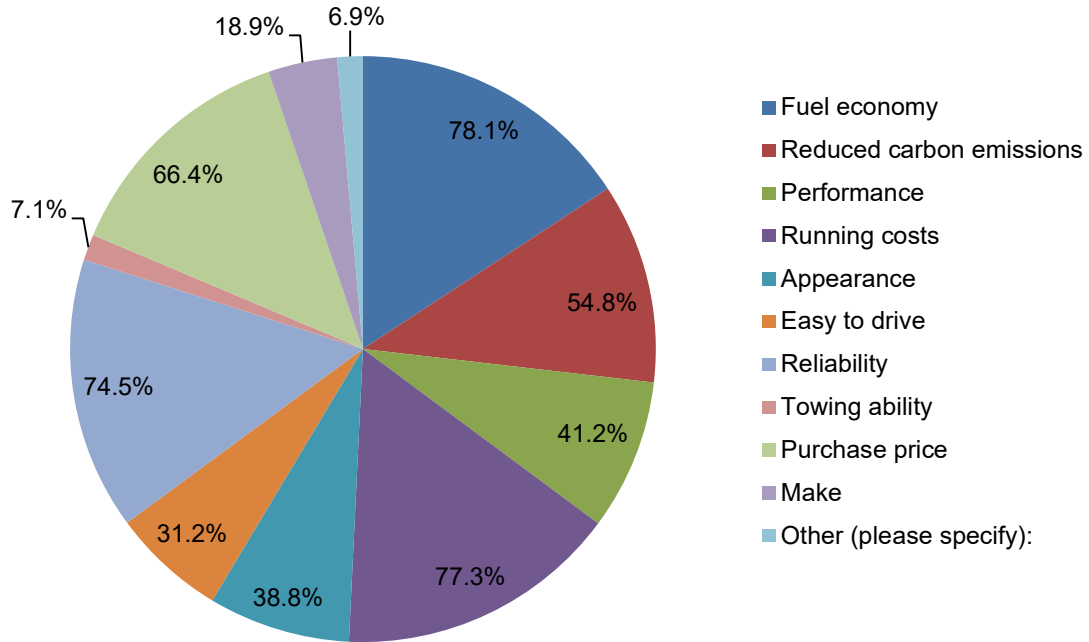

Are you intending to buy or replace a vehicle?

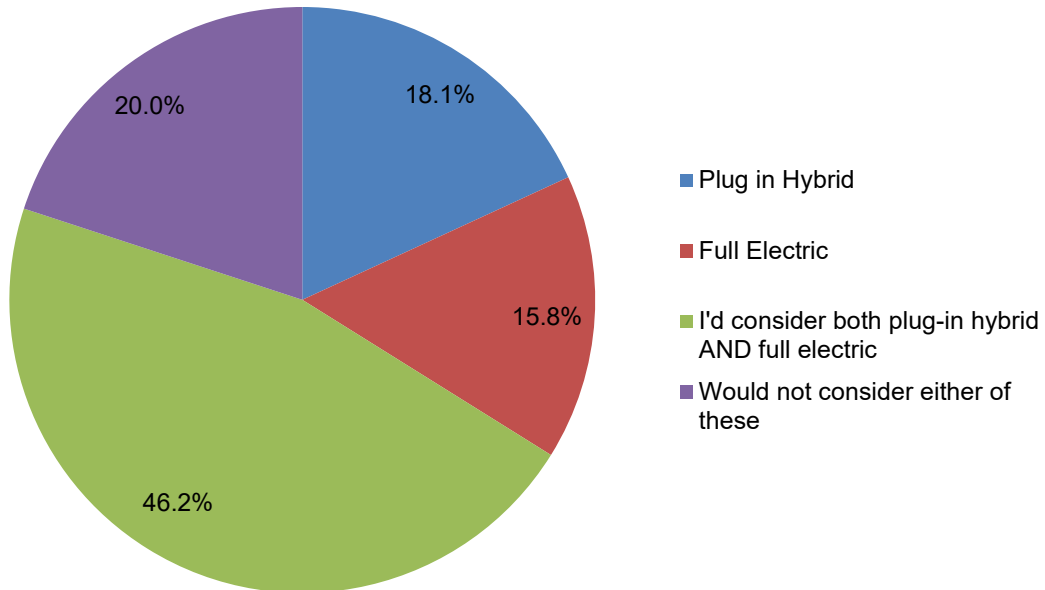

What is important to you when choosing a vehicle?

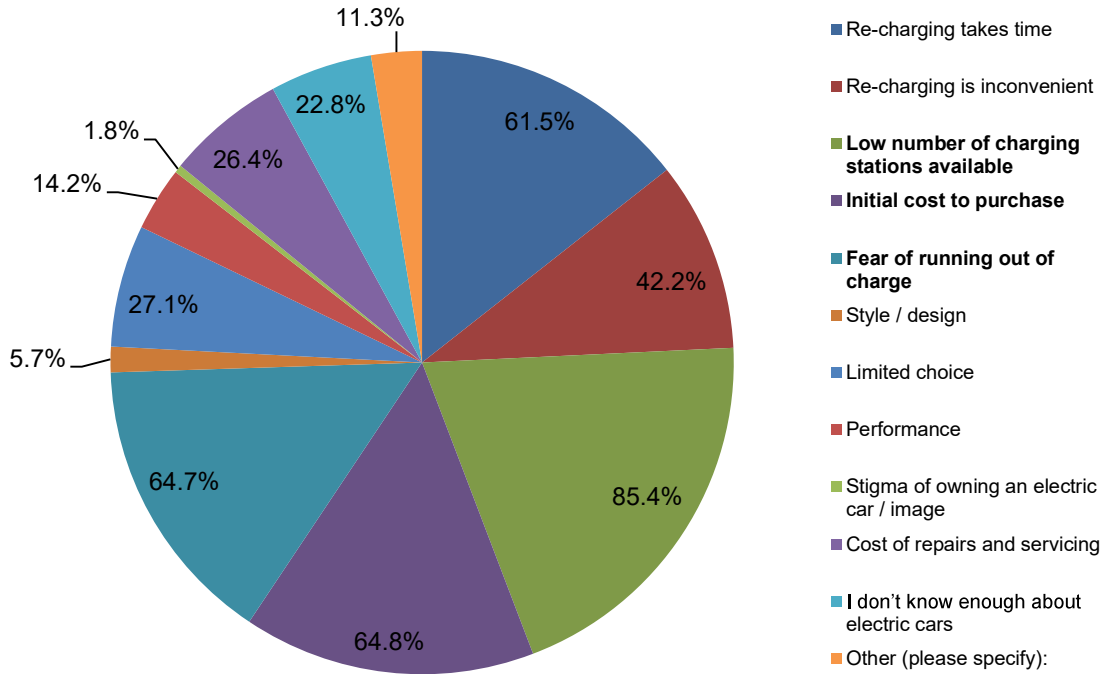

(Tick all that apply)

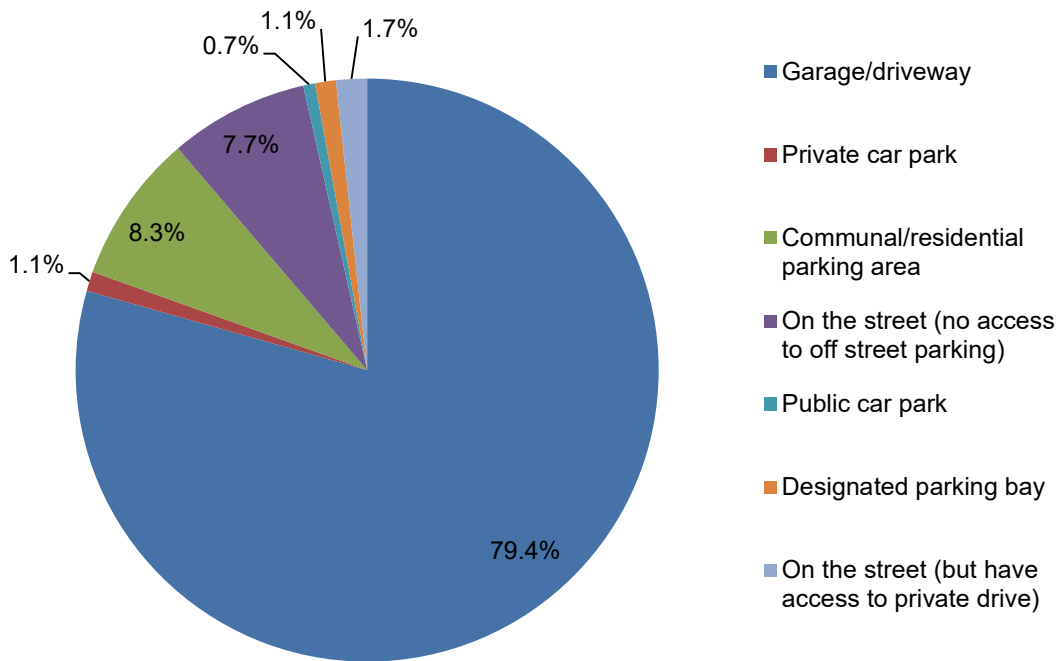

Would you consider one of the following?

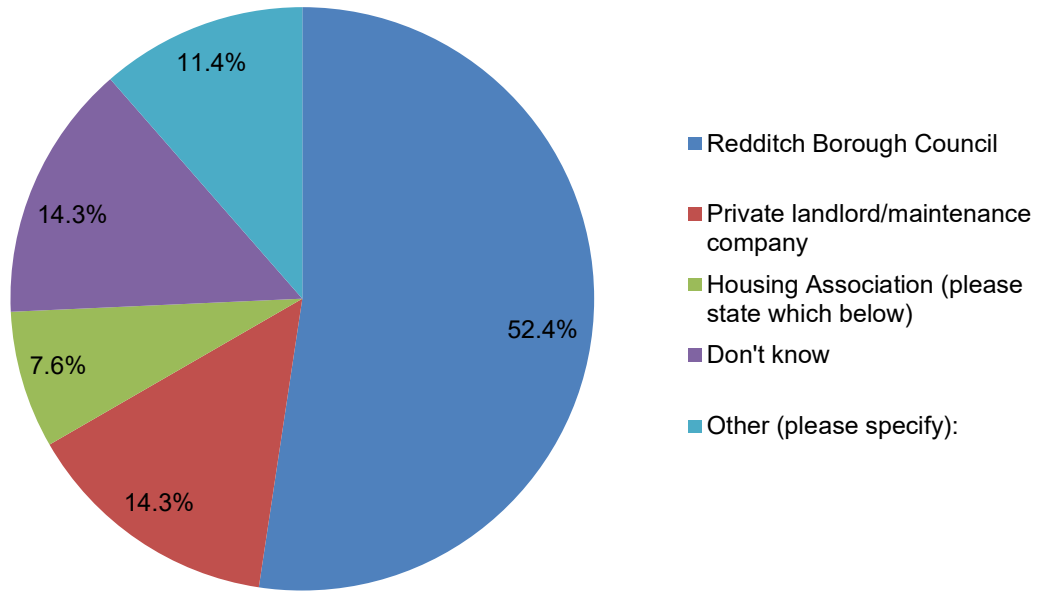

Are any of the following a concern for you in relation to plug-in vehicles? (Tick all that apply)

Thinking about parking, where do/would you primarily park your vehicle overnight?

**Please indicate who manages the communal/
residential parking**

Please indicate who owns the public car park?
