

# Improvements to the Recreation Ground Update

The works on the Recreation Ground will be completed in phases with final landscaping works and artwork completed in the Spring. The programme of works is as follows below:

## Phase 1 - Completed

- Pathway construction and access routes

## Phase 2

- New perimeter fencing to be erected early December (to replace existing damaged fencing)
- New Stainless Steel benches to be installed December/January (Subject to stock delivery)
- Damaged centre circle blocks and settlement to be re-placed and re-sanded
- Tree guards to be installed

## Phase 3

- Final cultivation / levelling and seeding of verges to be carried out in the Spring 2022 (this will include amenity grass seeding and wildflower)
- Artwork in the centre circle to be completed in Spring 2022
