

Partnership Board Minutes 30 November 2023 – UKSPF Extract

UK Shared Prosperity Fund – SH reported that recommended project proposals had been approved by the District Council. Community Infrastructure Grant also approved and open for applications. Interest in grant had been high and competitive.

The Summary Report was referred to and it was stated that all of 2023/24 funding had been allocated except £23,507. The Government had confirmed a percentage of total funding could be carried forward into Year 3. The District Council considering its options.

There remained £143,949 funding to be allocated to People and Skills projects in Year 3. The Council was considering options on how to identify suitable projects.

The report included details of outputs and outcomes achieved by UKSPF projects up to 30/9/23. Figures were low as many of the projects were only in the early stages of delivery
