Page:	Section 1: Introduction and Context	Policy:
Policies Map:	Other document:	

If your representation does not relate to a specific part of the document, or it relates to a different document, for example the Sustainability Appraisal, please make this clear in your response.

2. Do you consider the BDP is legally compliant? (see Note 2)

Yes: <input checked="" type="checkbox"/>	No: <input type="checkbox"/>
--	------------------------------

3. Please give details of why you consider the BDP is not legally compliant. Please be as precise as possible. If you wish to support the legal compliance of the BDP, please also use this box to set out your comments. (Continue on a separate sheet /expand box if necessary)

4. Please set out what change(s) you consider necessary to make the BDP legally compliant, having regard to the issue(s) you have identified above. You will need to say why this change will make the BDP legally compliant. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible. (Continue on a separate sheet /expand box if necessary) (see Note 8 para 4.3)

5. Do you consider the BDP is sound? (see Note 3)

Yes: <input type="checkbox"/>	No: <input checked="" type="checkbox"/>
-------------------------------	---

Do you consider the BDP is **unsound** because it is not:

(1) Justified (see Note 4)	<input type="checkbox"/>
(2) Effective (see Note 5)	<input checked="" type="checkbox"/>
(3) Consistent with national policy (see Note 6)	<input type="checkbox"/>
(4) Positively prepared (see Note 7)	<input type="checkbox"/>

6. Please give details of why you consider the BDP is unsound. Please be as precise as possible. If you wish to support the soundness of the BDP, please also use this box to set out your comments. (Continue on a separate sheet /expand box if necessary)

Whilst The Coal Authority generally considers the Bromsgrove District Plan to be sound, we do consider that the plan is lacking an effective 'signpost' to those other parts of the Development Plan for the district which are prepared by Worcestershire County Council. The submission BDP fails to make reference to the adopted Worcestershire Waste Local Plan or the emerging Worcestershire Minerals Local Plan and acknowledge that policies/proposals from those plans may need to be illustrated on the Policies Map that accompanies the BDP. The Coal Authority considers that it would be highly beneficial for plan users to fully understand the linkages between the BDP and all other planning documents that impact on the district.

7. Please set out what change(s) you consider necessary to make the BDP sound, having regard to the test you have identified at 6 above. You will need to say why this change will make the BDP sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible. (Continue on a separate sheet /expand box if necessary) (see Note 8 para 4.3)

The Coal Authority would therefore recommend that the following paragraph is added to Section 1: Introduction and Context:

"The Minerals Local Plan and Waste Local Plan prepared by Worcestershire County Council will also form part of the development plan for Bromsgrove. Policies and proposals from those plans may need to be illustrated on the Policies Map that accompanies this plan."

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change(s), as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

8. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination? **Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

No, I do not wish to participate at the oral examination	<input checked="" type="checkbox"/>
Yes, I wish to participate at the oral examination	<input type="checkbox"/>

9. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary. (Continue on a separate sheet /expand box if necessary)
