1. INTRODUCTION

The Regulatory Reform (Housing Assistance) (England and Wales) Order 2002 requires all councils to adopt and publish a policy outlining how they intend to exercise powers set out within the legislation, to include use of government funding received through the Better Care Fund, to meet both national aims, outcome measures, metrics and local needs in addition to locally funded forms of assistance.

The policy is designed to contribute towards the council's strategic aims and objectives by assisting with:

- a) The improvement of housing quality in all tenures
- b) Enabling people to stay in their home as they get older and provide disabled persons with maximum manoeuvrability around their homes
- c) Improving energy efficiency and eliminating fuel poverty
- d) Improvement of social care, health and social wellbeing

2. OUR POLICY AIMS

The key aims are to address the issue of vulnerable persons or persons on low incomes who either cannot afford to maintain their properties in good repair or who cannot fund essential adaptations required in order that they might fully utilise their home, benefit from safe and decent housing and retain their independence. This will include;

- Increasing the number of people who are able to remain at home and prevent inappropriate admission to hospital, residential and care homes
- Preventing delayed release from hospital or other types of care
- Reducing the number of persons and particularly vulnerable persons living in homes that have category 1 and serious category 2 hazards (as set out within the Housing Act 2004)
- Improving the health of customers by reducing the number of households in fuel poverty
- Assisting people to move at an earlier stage to avoid unnecessary Disabled Facilities Grant spend and care/support costs.

The council will consider in all cases a person's ability to repay or contribute towards the assistance given whether under a mandatory requirement or as a criteria set within any discretionary form of assistance (unless stated in the policy). The council or its appointed agent will provide in writing the conditions and any obligations to which any form of assistance provided is subject.

The council or its appointed agent will consider all applications for assistance on their merits however all cases will be assessed against the following criteria;

- All available options, including but not restricted to financial, have been fully explored
- Assistance through other means is not reasonably available or practicable
- The proposal fits the strategic aims of the council and/or national aims and metrics of the Better Care Fund Plan
- The proposal is economically viable considering the council resources available

The council will seek best value for the funding available whilst ensuring needs identified are met. Discretionary funding will normally involve a repayable local land charge for the cost of works. Mandatory Disabled Facilities Grants will involve a local land charge where applicable under the legal framework. The council will ring fence recycled money from local land charges, where grants are repayable, to provide funding for future discretionary grants and support through the housing assistance policy applicable at that time. There is discretion to allow for non-repayment where appropriate.

The Armed Forces Covenant is a promise by the nation that those who serve or who have served in the armed forces, and their families, are treated fairly. The council works actively with the local representatives of organisations such as Royal British Legion (RBL) and the Soldiers', Sailors' & Airmen's Families Association (SSAFA) to ensure wider support is available to any cases where active or ex-service persons are identified. This includes acceptance of direct applications from these organisations and referrals to support from them or other agencies where identified as applicable. The council will include in any grant provision covering the costs of any relevant assessments or support work by RBL or SSAFA to enable the grant to proceed. Those with a service history may have received a financial award in association with their service, discharge or ongoing benefits in relation to that service. These amounts will not be considered in any means test undertaken to determine whether a contribution is required towards any grant in this policy.

The council will review this policy on a regular basis to reflect evidence concerning the conditions of housing within the area and respond to changing policies at a national or local level or to reflect evidence concerning the conditions of housing within the area.

3. SUMMARY OF FINANCIAL ASSISTANCE AVAILABLE

Financial Assistance schemes are discretionary, except Mandatory Disabled Facilities Grant, and are subject to the council having sufficient resources.

The Policy grants discretion to extend or amend eligibility criteria, conditions, level of grant or assistance and scope of works where the situation is exceptional and, in the opinion of the relevant Head of Service that assistance would help the council meet its strategic housing objectives and/or Better Care Fund metrics.

3.1 Mandatory Disabled Facilities Grants:

These are mandatory grants to support the provision of adaptations to promote independent living within the home, subject to the provisions of the Housing Grants, Construction and Regeneration Act 1996.

3.2 Discretionary Disabilities Assistance:

The following are discretionary forms of assistance enabled through the central government Better Care Fund allocation, subject to the primary requirements of Mandatory Disabled Facilities Grant being firstly met:

- **Discretionary Disabled Facilities Grant Top Up** - To enable top-up funding to a Disabled Facilities Grant scheme that exceeds the Mandatory Disabled Facilities Grant maximum where the additional costing is considered justifiable.
- **Dementia Dwellings Grant** - To assist persons with dementia with specialised living aids to enable independent and safe living.
- **Hospital Discharge: Disabled Facilities Grant** – For fast-tracked means tested works to the home to enable earlier discharge from hospital or place of temporary care where problems in the home are identified as a possible reason for delayed discharge. These DFGs will be prioritised to enable earlier discharge from hospital.
- **Home move grant : Disabled Facilities Grant** - to enable people to move to more suitable accommodation where this is considered more appropriate and/or cost effective than adaptations to their existing home.

3.3 Discretionary Assistance:

- **Home Repair Assistance:** To ensure that persons on low income can undertake essential repairs or improvements to their home.

4.1 HOW TO APPLY AND MAKING A FORMAL APPLICATION FOR A MANDATORY OR DISCRETIONARY DISABLED FACILITIES GRANT (for information on how to apply for the other discretionary assistance please see section 5) for information regarding direct Council Application see 4.2

All applications must be on a form provided by the council or its appointed agent and must include the following documentation:-

- (i) Particulars of the work to be carried out including, where appropriate, plans, specifications, schedule of work and specialist reports. This should include the complete scheme in cases where the whole scheme exceeds that which is eligible for Assistance.
- (ii) Details of any professional fees or charges relating to the work and for which assistance is being sought.
- (iii) Proof of ownership of all land and buildings pertaining to the application from a solicitor or mortgagee, or copies of the title deeds/land certificate, or a copy

of the tenancy agreement or licence to occupy in the case of a tenanted property.

- (iv) Proof of occupation and/or tenancy where applicable.
- (v) Proof of a qualifying pass-porting benefit is being claimed.
- (vi) Where no pass-porting benefit is received, full financial documentation including but not limited to income received, benefits received, savings, pensions and where applicable rental income from tenants and boarders.
- (vii) Where applicable, permission of co-owners and landlords
- (viii) A VAT exemption form where the applicant or relevant person is registered disabled or capable of being registered.
- (ix) A signed conditions form accepting the obligation to repay the assistance in the event of any breach of the relevant conditions concerning future occupation, letting or ownership.
- (x) If required, permission under any statute including but not limited to, planning permission, Building Regulation approval, Party Wall Act, etc.

Applications relating to the disabled will require an assessment report from the Occupational Therapy Service or Trusted Assessor.

An application will only be considered complete or valid when the council or appointed agent has all the information necessary to make a decision on the application.

Where an applicant uses the appointed agent to undertake the application and that agent is permitted to charge a fee, this will be included in the eligible costs.

The council may at its discretion choose to waive certain application requirements where considered appropriate to do so in the interests of the policy aims.

Once approval has been given the applicant has 12 months from the date of the approval in which to complete the works, unless otherwise stated.

4.2 Direct Application

Applicants are not obliged to use the services of the council's appointed agent. However, where the application is being coordinated through the council's appointed agent and there is a procurement framework approved by the council, then this will be used.

For a direct application to the council the applicant will need to provide quotes in line with the council's financial framework.

The council does not provide assistance to the applicant in the manner as its appointed agent would provide where the applicant chooses not to utilise the appointed agent and to submit an application directly to the council. The direct applicant will not be assisted in any way by the Council to make their application, there are no payments of grant funding upfront, the applicant has to manage the project, no payment will be made until all works are completed. The decision to approve these applications may take up to 6 months.

5. DETAILS OF FINANCIAL ASSISTANCE

5.1 Mandatory Disabled Facilities Grants (DFG)

These grants are mandatory under the Housing Grants, Construction and Regeneration Act 1996 and are subject to a statutory test of resources (means test) required to establish whether the applicant is financially able to contribute towards the costs of the eligible scheme.

Disabled Facilities Grants are awarded to enable applicants to have access to and around their homes, or to use essential facilities within the home to enable them to live safely and independently. Mandatory Disabled Facilities Grants can only be given for the purposes set out in the Act. Detailed guidance on what the council deems to be eligible works or not are set out in a separate document that is available to applicants or others upon request. This is maintained across the county as a common approach wherever possible.

Ongoing maintenance and repair of adaptations and equipment, whether provided under a grant previously or not, is the responsibility of the applicant or landlord as relevant.

Whilst it is recognised that a Disabled Facilities Grant is a mandatory grant, a move to a more suitable property may meet the needs of the applicant in a more appropriate way. This could include moving to a more suitable and/or adapted accommodation that may be available to the applicant.

The maximum amount of Mandatory Disabled Facilities Grant is currently £30,000 set by statute. Discretionary Disabled Facilities Grant for costs above the mandatory amount will not be made available except upon the agreement of the council, in accordance with this policy under the Discretionary top up for Mandatory Disabled Facilities Grant, and where justified to be the most satisfactory course of action in the circumstances or to have arisen through reasonable and unforeseeable additional works or costs.

The council/appointed agent will endeavour but cannot guarantee to determine complete applications and provide the relevant adaptations work within recognised national guidance timescales. In any event the council will determine a complete and valid direct application at the earliest opportunity within the statutory timescale of 6 months.

The charge may be up to a maximum of £10,000 and repayment of the sum on charge is required where the adapted property is sold, transferred or otherwise disposed of within a 10 year period from

completion of the work. Conditions for any land charge and repayment will be informed to any applicant or their representative.

- At the time of adoption of this policy, In the case of a Disabled Facilities Grant where a 10 year conditional repayment obligation exists and the recipient intends to dispose of the property by sale, assignment, transfer or otherwise within the 10 year period, the charge must be repaid, unless the council, having considered:
 - i) the extent to which the recipient of the assistance would suffer financial hardship were he/she to be required to repay all or some of the grant or charge;
 - ii) whether the disposal of the property is to enable the recipient to take up employment, or to change the location of his/her employment;
 - iii) whether the disposal is made for reasons connected with the physical or mental health or well-being of the recipient of the assistance or of the disabled occupant of the property; and
 - iv) whether the disposal is made to enable the recipient of the assistance to live with, or near, any person who is disabled and in need of care, which the recipient of the assistance is intending to provide, or who is intending to provide care of which the recipient of the assistance is in need of by reason of disability,

The cost of works funded above the mandatory grant limit will be registered as a Local Land Charge and repayable to the Council in full on the sale transfer or disposal of the property for owner-occupied properties. For rented properties there will be a condition that the landlord agrees to let the property to persons requiring the adaptation for their lifetime unless breach of tenancy contract occurs that results in re-possession or the disabled tenant moves to meet changed needs.

If the cost of works exceeds both the mandatory disabled facilities grant and discretionary top up grant amounts the applicant must be able demonstrate that they can fund the remaining balance before grant approval. Whilst the council's Standing Orders on procurement do not directly apply as no contract exists with the council, the principles of the Standing Orders will be referred to for determining the administration of procedures regarding the obtaining of quotes, etc.

- 11. In the case of an application for Disabled Facilities Grant where the client chooses to pursue a different scheme of work's or an enhanced scheme of works over and above the standard specification the client will be advised the Council will only provide assistance to the value of the scheme of works the Officer has determined would otherwise satisfy the basic primary requirement(s) identified by the report of the Occupational Therapy Service, subject to the Officer being satisfied the clients preferred scheme will also satisfy the primary requirements.

Holiday residencies, caravans on holiday sites or sites with restricted occupancy, second homes (as defined by council Revenues criteria), properties without a certificate of lawful residential occupation and sheds, outbuildings or appurtenances will not qualify for Assistance.
20. The council recognises that this policy cannot cover every likely situation and there may be persons who genuinely are in need of some form of urgent support that are precluded from accessing Assistance due to a specific aspect. In these situations the council may consider offering assistance in exceptional circumstances, in particular where support would help the council meet its strategic objectives, as determined by the relevant officer.

10. SECURITY AND REPAYMENT OF ASSISTANCE

Where a grant condition imposes a liability to repay the Assistance, or a part thereof, the condition will be registered by the council as a Local Land Charge.

Any grant approval document will set out what amount of money will be placed as a local land charge for the applicant to confirm their acceptance. If significant separate works are identified, a review and revised approval will be issued for the applicant to agree to.

The council will recover grant/assistance monies in full if the relevant conditions of the assistance are not met. Where not already a requirement of the specific terms of the assistance granted, a local/legal land charge may be entered against the property for the purpose of debt recovery.

If an application is approved but it subsequently appears to the council that the applicant (or one of two or more joint applicants) was not, at the time the application was approved, entitled to receive the assistance approved, then no payment, or further payments, of assistance will be made and the council may seek to recover immediately any payments made together with interest accruing from the date of payment.

The council may, at its discretion determine to require repayment of a lesser sum than the full amount of Assistance.

Any repayment of grant or land charge associated with a grant of financial assistance under this policy will be recycled to provide financial assistance under the terms of this or successor policies.

11. DEATH OF THE APPLICANT

If the applicant should die before the Assistance is approved, the application will be treated as withdrawn.

If the applicant should die after approval of the Assistance or whilst the approved works are in progress, the council may, at its discretion agree to completion or making good of the works and pay the Assistance in full, or an appropriate proportion of the approved sum relative to the works completed.

Where an applicant receiving Disabled Facilities Grant assistance dies following completion of the works but prior to the expiry of the ten year local land charge the council will seek repayment of the sum on charge from the applicant's estate if a disposal by sale, transfer or other change in ownership or tenure takes place.

12. ADDITIONAL CONDITIONS

The council or its appointed agent reserves the right to impose additional conditions when making a grant/assistance approval. These may include but are not restricted to:

- (i) A contribution to the cost of the assisted works by the applicant.
- (ii) The right to nominate tenants to housing accommodation available for rent.
- (iii) Housing accommodation being maintained in repair after completion of the assisted works.
- (iv) The right of the council or its appointed agent to recover specialised equipment when no longer needed.

13. DECISIONS, NOTIFICATIONS AND REDETERMINATIONS

The council or its appointed Agent will notify the applicant in writing when their application has been approved or refused. The decision will be notified as soon as reasonably practical and, in any event, no later than six months after receipt of a full and valid application.

If the application is approved, the notification will specify the eligible works, the value of the assistance and the builder/contractor who will execute the works. In the case of a Disabled Facilities Grant the council may, where financial or operational demands dictate, defer payment of the assistance for a period not exceeding 12 months. Any deferment will be detailed within the grant approval notice.

The council or its Agent will maintain a document that sets out in details what works are considered eligible or not for a DFG by the council. This document will be made available to any applicant or other person upon request. The council will work with

other Worcestershire authorities to ensure as far as possible consistency on eligible works.

For complex cases such as extension and cases likely to be above the mandatory DFG threshold of £30k, the council's agent will arrange a meeting with the Council and relevant professionals to inform the council to determine the most appropriate course of action to meet the discretionary DFG criteria. If the application for Assistance is refused, the council or its Appointed Agent will give the reasons for the refusal and confirm the procedure for appealing the decision.

Where Assistance has been approved and the council or following consultation with its appointed Agent are satisfied that through circumstances beyond the control of the applicant which could not have reasonably been foreseen, the cost of the assisted works has either increased or decreased, the council may, at their discretion re-determine the assistance given and notify the applicant accordingly by issue of a re-approval notice.

Works requested beyond the scope of the mandatory DFG or agreed schedule may be undertaken directly with the contractor at the applicant's own expense. Any such works will not be assisted by the council or its agent.

14. REVIEW OF THE COUNCIL'S DECISION

Any person having made a valid application for Mandatory Disabled Facilities Grant or Discretionary Assistance may request a review of the decision not to consider or to refuse an application.

A request for review of must be submitted to the council/or appointed agent (where delegated decision) with 21 days of the date of the decision letter. The request must be in writing. A review of the decision will be undertaken by the council's relevant Head of Service and the decision will be notified to the applicant in writing. If the person remains dissatisfied with the review decision they have the right to approach the Local Government Ombudsman.

Any departure from Policy will only be considered where the applicant can demonstrate both wholly exceptional circumstances to justify such a departure but also that the applicant does not have the means by which they could reasonably be expected to otherwise fund and undertake the work.

Complaints about service delivery rather than Policy must be made in writing to the council appointed Agent who will investigate the complaint in accordance with their Complaints Procedure which is available on request.
